

Meet Talk Connect

Networking Meeting for Female Researchers with Prof. Dr. Anja Metelmann

1st December 2022 at 14:00 to 14:45 in P601

We invite all female researcher of the Departement of Physics, to meet and discuss in an informal atmosphere with Prof. Dr. Anja Metelmann from KIT & University of Strasbourg (FB) within our female role model series. Talk about her career path, important milestones or personal questions across disciplines and hierarchies. In a group of only female researchers, you will also have the opportunity to talk about the special circumstances of the career path for women in science and corporate world.

We encourage you to come and chat informally over coffee and cookies and expand your female research network!

Contact: F. Hellbach, 3847
